Our original product : the Premium jar

The Premium 50ml jar is a high-end cosmetic jar made of very thick glass. It offers:

- Content Enhancement: It leverages a "magnifying effect" and a qualitative weight of the jar. The smooth and straight inner wall prevents impurity deposits.
- Aesthetics: It can be paired with [specially developed lids](#) to enhance this luxury cosmetic jar.
- Brightness and Color Rendering are further enhanced with the jar's lacquering.
